

DEATHS

Life Is But A Brief Span, A Debt That All Must Pay

HUTSELL

The funeral of Mrs. Helen Lowe Hutsell, aged eighty, a former resident of Paris, who died in Lexington, after a protracted illness, due to the infirmities of age, was held Tuesday afternoon, at 2:30 o'clock, at the home of her daughter, Mrs. Frank Woods, in Lexington, with services conducted by Rev. Mark Collins, assisted by Rev. T. C. Ecton. The interment followed in the Lexington Cemetery.

For many years Mrs. Hutsell made her home with her daughter, Mrs. Marion Hall, on Cypress street, in this city. She was a daughter of the late Solomon and Benj. Shryock, who were pioneer residents of Bourbon county. She is survived by four children, Mrs. Frank N. Woods, of Lexington; Mrs. Marion Hall, of Paris; D. L. Hutsell and C. L. Hutsell, of California, and by fourteen grandchildren, among them being Mrs. Claude F. Redmon, of Paris.

FARRELL

Michael Farrell, aged eighty-four, one of Bourbon county's pioneer citizens, closely identified with the city and county for nearly a lifetime, died Wednesday morning at the Massie Memorial Hospital, in this city, where he had been a patient but a day. Mr. Farrell had been quite ill of kidney trouble at his home on Henderson street for about a week, and was removed to the hospital Tuesday.

Mr. Farrell was a native of Ireland, where he was born on December 28, 1838. He was a son of John and Julia Comiskey Farrell. He came to America when a young man, and after locating in various sections of the new world, came to Bourbon county, where he served an apprenticeship as stone mason, continuing in this business until ill-health forced his retirement several years ago. His brother, Jas. Farrell, died several years ago.

Mr. Farrell is survived by four nieces with whom he resided on Henderson street, and several other nieces and nephews at other places.

The funeral will be held at nine o'clock, this (Friday) morning, at the Church of The Annunciation, with services conducted by Rev. Father Decius Carroll, of Cynthiana. The burial will follow in the Catholic Cemetery, in Paris. The pallbearers will be Dan Jordan, George Doyle, Wm. Minogue, James Burk, A. J. Fee, Jos. Glenn, M. J. Lavin, E. M. Costello.

\$50,000 FIRE IN FAYETTE COUNTY

A yearling filly, valued at \$10,000, belonging to Frank Ellis, horseman of Philadelphia, a riding horse, a quantity of feed, wagons, buggies and implements were lost in a fire that destroyed a large barn on the Walnut Hall farm on the Newtown pike, early Tuesday morning.

The total loss is approximately \$50,000. The barn, constructed in 1876, cost \$25,000. A quantity of feed, consisting of hay and straw, valued at \$2,500, was destroyed. The other horse destroyed was owned by one of the men on the farm and was valued at \$150.

MORGAN'S MEN END ANNUAL REUNION

The two-days' reunion of Morgan's Men, which had been in progress at the Lexington Country Club, near Lexington, came to a successful close Wednesday afternoon, after which the valiant members of the famous brigade returned to their homes. Ninety-eight veterans attended the reunion, which was full of enjoyable features during the two-days' program.

No prepared program was followed by the Wearers of the Gray, with the exception of the noon luncheon. Instead the veterans gathered on the club's porch to talk over reminiscences that included old comrades now gone and to fight over old battles.

The physical vigor, mental alertness and striking vitality of the Confederate veterans, the majority of whom are more than eighty years old, was one of the most impressive features of the assemblage.

Officers of the Morgan's Men's Association are: S. G. Sharp, Covington, president; R. H. Robb, Helena Station, first vice-president; W. J. Stone, Frankfort, second vice-president; Elley Blackburn, Georgetown, third vice-president; H. M. Taylor, secretary and treasurer; Frank C. Taylor, Carlisle, assistant secretary, (honorary.)

General Stone, commander of the Kentucky division of the U. C. V., in charge of the Confederate Pension fund of the State, was unable to be present because of an accident.

The following Confederate veterans from Bourbon county, who followed the varying fortunes of Gen. John Hunt Morgan, in his celebrated raids that have now become part of the nation's history, attended the reunion: Perry Jewell, Little Rock; James N. Stone, North Middletown; Ganno Hildreth, Paris; Lan J. Fretwell, Paris; G. F. Lawson, Paris; James E. Kern, Paris; J. D. Young, North Middletown; James S. Clarke, Millersburg; Charles S. Meng, North Middletown.

The report of Col. Horace M. Taylor, secretary of the Association, showed that there are only 141 Confederates living in the eleven counties of Central Kentucky, and that of this number, eighteen live in Bourbon.

THE STRIKE SITUATION

Union leaders representing the running trades of the roads went into formal conference in New York to devise plans for ending the shop crafts strike. Plans to be submitted to roads' executives.

President Harding understood to have completed message to Congress on rail situation but to be deferring its presentation pending outcome of New York conference.

At the Louisville & Nashville Railroad Company offices in Louisville it was said that the reports of a walk out on the Ravenna division, serving the big Hazard coal fields, were groundless. A walk out is not even being talked of, according to statement at the office of B. M. Starks, general manager.

Efforts to settle the walk out of Louisville and Nashville trainmen on the Cumberland Valley division continued at Corbin yesterday. First on the program was a conference of "Big Four" brotherhood leaders to recapitulate the progress of the negotiations. Prior to the meeting no hint of the attitude that would be taken was given out.

Meanwhile, however, the system chairman of the brotherhoods who intended to go to Ravenna remained at Corbin. What significance was attached to the change in plans was not made known.

YESTERDAY'S RESULTS

Vilentine, the new man, pitched a one-hit game. Wunker won the game with a three-base hit. It was one of the best games of the season.

The Baptist defeated the Christians in the Church League game played on Hancock field, Tuesday afternoon, by a score of 13 to 4. The game was full of thrills from start to finish. The next game in the League series will be played at 3:30 this (Friday) afternoon between the Methodists and Presbyterians.

The Paris Mammoths lost to the Moorefield team in an exhibition game, played at Moorefield, Wednesday afternoon. The final score stood 7 to 6. Frank Still, of the Kentuckian-Citizen, an old-timer on the mound, started the game for Moorefield, but did not last long.

A team composed of players picked from the four Church League teams of Paris defeated the North Middletown team by a score of 6 to 4 in a game played at the Paris League Park Wednesday afternoon. "Stiffy" Burnett made an excellent showing on the hurling mound for the Paris team.

The Mammoths have signed a new pitcher, Baylin, who will work out in games scheduled for next week. Baylin is said to be a good man in the twirling position, and will help out the Paris pitching staff.

Oliver Mann, third sacker for the Mammoths, has been out of the game since the Saturday game with Mt. Sterling, when he sustained a badly bruised finger, struck by a ball. He is improving, and will be able in a few days to resume his position.

President Russell has signed up one of the old-timers Heinie Pietz, former catcher for the Cincinnati Reds as a member of the Blue Grass League umpiring staff. Heinie claims to be a great deal better than a dead man, and says he still knows all the ins and outs of the great National game.

CALLED MEETING OF AMERICAN LEGION

A called meeting of Bourbon Post No. 30, American Legion, will be held in the court house to-night, Friday, August 18, at 7:30 o'clock. The object of the meeting is to select delegates to the State Convention of the American Legion, to be held at Glasgow, on August 28-30, and to select Legion members of the governing board for the memorial building.

"OVER THE HILL," HERE NEXT MONDAY

"Over the Hill," the Wm. Fox picturization of one of Will Carleton's "Farm Ballads," which broke the best record of any screen attraction that ever visited Broadway, playing there one solid year in six different theatres, will be seen at the Alamo Theatre and Paris Grand, Monday afternoon and evening, August 21.

The story of "Over the Hill" was adapted from Carleton's poems by Paul H. Sloane, who wrote a screen story that has defied criticism in this form of entertainment. The story has to do with the adventures of a typical American family, the mother of which is called upon to bear the brunt of all the shortcomings of her little flock. As the story unfolds, the youngsters are seen growing to manhood and womanhood, and eventually leaving the homestead to set out into the world for themselves.

The story is worked up to one of the most beautiful climaxes ever devised and one that is said to stir the emotions of men and women as they never before have been stirred by a stage presentation. There is also abundant comedy in the picture, and the production can well be said to meet the entertainment needs of every member of any family, young and old.
